

## SILVERSTONE CLASSIC 26/27/28 JULY 2019

We are once again sharing a stand at the above event with our friends from the Association of Healey Owners. Unfortunately this year's event clashes with the RM Riley 50th anniversary, so whilst some of the Warwick Healeys will be elsewhere a core of members are still hoping to bring the marquee with tables and chairs, however Terry Bracey-Wright and his wife will not be there to provide refreshments for us on this occasion.

The club package includes two general admission tickets and one infield vehicle display pass for a Healey, allowing entry to our allocated club display area. These can only be purchased by using the booking code shown below.

Ticket prices include a booking fee but a transaction fee will be applied per order. Group bookings for more than 10 are available.

To book tickets for our club stand, either: - Phone 014830524424

The infield pass will display this information along with the name of the club and will only be valid for this vehicle. There is a procedure for changing these details and this will be explained on your booking confirmation. If you do not arrive in a car with matching paperwork then you will be directed to the parking area outside the circuit.

Camping is available at Silverstone Woodlands campsite, within walking distance of Gate 15, just south of Club Corner. Mains showers and toilets are provided in purpose built accommodation, and other on-site facilities include a general store and the 'Petrol Head' pub. Electrical hook-up is also available to purchase. Camping tickets can be bought at the same time as events tickets. Sleeping or camping within the circuit is not permitted.
